

## A List of the Titles of Indexed Periodicals

The following list gives three pieces of information:

1. The abbreviation used in the body of the Bibliography to denote this particular periodical.
2. The full title of the periodical
3. The city of publication.

For convenience sake we use the same abbreviations that are used in New Testament Abstracts and have cross referenced our periodical list with the use of abbreviations in that major source of New Testament bibliography.

### A

<b>Afric Eccl Rev</b>	African Ecclesiastical Review	Kampala
<b>African Christian Studies</b>		Nairobi
<b>African Journal of Biblical Studies</b>		Ibadan, Nigeria
