

Bibliography – The Tradition of Conflict

Ian Barbour, *Religion in an Age of Science*. The best single reference source on religion and science.

Andrew Dickson White, *History of the Warfare of Science with Theology*. This old classic by the co-founder and first president of Cornell University was first published in 1896 and is now available in a modern Dover paperback (Two volumes). The title says it all!

Thomas Goldstein, *Dawn of Modern Science*. This is a more sympathetic view of the relationship of religion and science in the late middle ages and renaissance.

Stephen J. Gould, *Rocks of Ages*. The “non-overlapping magisteria” hypothesis
